ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self financing co-educational Institution, situated in serene green surroundings at Tiruchengode. It is the First self-financing co-educational Institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the Institution has the unique honour of being acclaimed as one of the outstanding educational institution under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facilities and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, In plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India. Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 board level and student youth of technical institution, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.1 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

Since the start of the COVID-19 outbreak, Who has worked with countries and area in the western pacific region on public health measures to slow or stop the spread of the virus. Safe and effective vaccines are an important tool, in combination with other measures, to protect people against COVID-19, save lives and reduce wide scale social disruption. Countries and areas in the Western Pacific Region have already completed regulatory approval and started introducing one or more COVID-19 vaccines. Through the COVAX Global Vaccines Facility and other mechanisms, Who and partners are working with government to facilitate equitable access to and distribution of an initial allocation of vaccine as quickly as possible. It is important to get vaccinated as soon as it's your turn and continue practicing other protective measures. The success of Vaccination Camp depends on people who organize the camp and Medical team. Aim: The Aim of this report is to discuss about the importance of voluntary vaccinators and to guide the camp organizer, Medical officer and also other team members involving in volunteers. Vaccination camp is organize the camp efficiently.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the first self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The institute also offers research facility and offers research programmes at MPhil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, in plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India, Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 board level and student youth of technical institution, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

World Leprosy Day is celebrated on the last Sunday of January. This international day is an opportunity to celebrate people who have experienced leprosy, raise awareness of the disease, and call for an end to leprosy-related stigma and discrimination. This is campaign calls for unity in honouring leprosy. The campaign honours the lived experiences of individuals who have experienced leprosy. Aim: the main objective was raise awareness about leprosy disease and to teach people about this ancient disease that is now easily curable. Various people across the world are not aware of the disease, lack of access to basic medical care, and continued stigma surrounding the illness.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnada popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the first self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institution under Periyar University. The college functions over an area, encircling 22.5 acres of land on the outskirts of Tiruchengode. The built-in-area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, in plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India, Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 level and student youth of technical institution, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.5 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

FIT INDIA movement was launched on 29th Aug 2019 by Honourable Prime Minister with a view to make fitness an integral part of our daily lives. The mission of the movement is to bring about behavioural changes and move towards a more physically active lifestyle. Towards achieving this mission, Fit India proposes to undertake various initiatives and conduct events to achieve the following objectives to promote Fitness as easy, fun and free. To spread awareness on fitness and various physical activities that promote fitness through focused campaigns. To encourage indigenous sports. To make the fitness reach every college/school/university/village, etc. To create a platform for citizens of India to share information, derive awareness and encourage sharing of personal fitness stories.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the first self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D, in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, In plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India, Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools as +2 board level and student youth of technical institution, Graduate and post graduate or colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

The concept of cleanliness has been important for humanity since ancient times. That's why it is said, "cleanliness is the next to godliness". Cleanliness is keep us healthy and away from all types of diseases. Things like bad breath, strong body odour, dirty fingernails, stained teeth, smelly feet, or unkempt beards lead to unhygienic health and poor impression on others. Whereas washing hands, teeth and hair, taking showers wearing dirt-free clothes are ways to maintain personal cleanliness. Aim: To correctly sequence tasks for cleaning. To demonstrate proper procedures for different cleaning applications. To describe other considerations in environmental managements. Around 150 students were selected from classes and were divided in to five groups and were allotted to clean various areas in the camps. NSS programme officers were in the charge of these groups. The campus cleaning day was very much effective, since the students could collect almost the entire plastic waste from the camps. An awareness campaign was conducted a group of active members of students visited each class and spoke a few words about the need to keep our campus neat clean. The gangers caused by plastic were discussed and the decision to declare the camps.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tiruchengode popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the First self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institution under Periyar University. The college functions over an area, extending 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, In plant training, industrial visits for both students and faculty. Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India, Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 board level and student youth of technical institutions, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of students strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

Independence day, in India national holiday celebrated annually on August 15. Independence day marks the end of British rule in 1947 and the establishment of a free and independent Indian nation. It also marks the marks the anniversary of the partition of the subcontinent into two countries, India and Pakistan, which occurred at midnight on August 14-15, 1947. Independence Day is marked throughout India with flag-raising ceremonies, drills, and the singing of the Indian national anthem. Additionally, various cultural programs are made available in the state capitals. After the prime minister participates in the flag-raising ceremony at the Red Fort historic monument in old Delhi, a parade ensues with members of the armed forces and police. A majority of the Indian population is unaware of their basic fundamental rights. The preamble is a way to be aware of their basic fundamental rights and raise their rights has been violated by someone else. This is the most importance of the objectives of the preamble comes into play. If you are acquainted with the objectives of the preamble, your fundamental rights, and the vision of Indian democracy, you can raise your voice against any injustice and support those who put in efforts to accomplish the main objectives of the preamble.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the First self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the Institution has the unique honour of being acclaimed as one of the outstanding educational institution under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab - the college on-off campus interview, in plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India. Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 board level and student youth of technical institution, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

The National Service Scheme (NSS) was formally launched on 24th September 1969. The programme was started during the birth centenary year of Mahatma Gandhi, the father of the nation, who inspired the Indian youth to participate in the movement for India's independence and the social upliftment of the downtrodden masses. Every year 24th September is celebrated as NSS day with appropriate programs and activities. In India, the idea of involving students in the task of nation building dates back to the time of Mahatma Gandhi. The first duty of the students should be, not to treat their period of study for indulging in intellectual activity, but to prepare themselves for final dedication, in the service of the society. Volunteers were made aware that they have to work for the progress of the society and not for any personal gain. It was stressed that the students should work with one theme in mind, i.e., 'NOT ME BUT YOU'.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the first self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,71,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post-graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, in plant training, industrial visits for both students and faculty. Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India, Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 level and student youth of technical institutions, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

The National Service Scheme (NSS) was formally launched on 24th September 1969. The programme was started during the birth centenary year of Mahatma Gandhi, the father of the nation, who inspired the Indian youth to participate in the movement for Indian independence and the social upliftment of the downtrodden masses. Every year 24th September is celebrated as NSS day with appropriate programs and activities. In India, the idea of involving students in the task of nation building dates back to the time of Mahatma Gandhi. The first duty of the students should be, not to treat their period of study for indulging in intellectual activity, but to prepare themselves for final dedication, in the service of the society. Volunteers were made aware that they have to work for the progress of the society and not for any personal gain. It was stressed that the students should work with one theme in mind, i.e. "NOT ME BUT YOU".

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India. Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 board level and student youth of technical institutions, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

Since the start of the COVID-19 outbreak, Who has worked with countries and area in the western pacific region on public health measures to slow or stop the spread of the virus. Safe and effective vaccines are an important tool, in combination with other measures, to protect people against COVID-19, save lives and reduce wide scale social disruption. Countries and areas in the Western Pacific Region have already completed regulatory approval and started introducing one or more COVID-19 vaccines. Through the COVAX Global Vaccines Facility and other mechanisms, Who and partners are working with governments to facilitate equitable access to and distribution of an initial allocation of vaccine as quickly as possible. It is important to get vaccinated as soon as it's your turn and continue practicing other protective measures. The success of Vaccination Camp depends on people who organize the camp and Medical team. Aim: The Aim of this report is to discuss about the importance of voluntary vaccinators and to guide the camp organizer, Medical officer and also other team members involving in volunteers Vaccination camp to organize the camp efficiently.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the First self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,536 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS, CA). The Institute also offers research facilities and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college provides campus inter-link, in place training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2, board level, and student youth of technical

institution, Graduate and post graduate at colleges and university level of India to take part in various Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

Nutrition and dietetics is a branch that is related to fitness, health, and healthy eating. People who take interest in this form of medical science can pursue it as a study for a flourishing career as a nutritionist or a dietician. It is available both as a bachelor's and a master's degree. After getting any of the two degrees one can assist people in creating a healthy and fit body, and following a good diet. One of the most popular career options after doing a course in nutrition and dietetics is a dietitian. Nutrition is the biochemical and physiological process by which an organism uses food to support its life. It provides organisms with nutrients, which can be metabolized to create energy and chemical structures. Failure to obtain sufficient nutrients causes malnutrition.

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing co-educational institution, situated in serene green surroundings at Tiruchengode. It is the first self-financing co-educational institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Periyar University, Salem. With its fine infrastructure and ability to maintain high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under Periyar University. The college functions over an area, enclosing 22.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,556 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life sciences lab, the college on/off campus interview, In plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India. Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 level and student youth of technical institutions, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

Human blood is an essential element of human life with no substitute. Voluntary blood donors are the Cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. Blood donors in India, as across the globe, are of three types: Voluntary donors, replacement donors and professional donors. Most donations are as a result of replacement donations, which are non-remunerated donations, provided by the relatives of patients. Professional donors are those who donate blood in exchange for money, replacement and professional donors may be compelled to donate blood, through their health conditions are unsuitable to donate blood. They do not help maintaining a stock of blood for emergency situations. Moreover, they do not provide rare blood groups. These points are indicating the need and importance of voluntary blood donations. The success of blood donation camp depends on people who organize the camp and blood bank team. Aim: The Aim of this report is to discuss about the importance of voluntary blood donation and to guide the camp organizer, Medical officer and also other team members involving in voluntary blood donation camp to organize the camp efficiently.

பாராட்டுச் சான்றிதழ்

திரு / திருமதி / செல்வி சு. கிரேசன் ப்ரபு அவர்கள் உயிருக்குப் போராதும் நோயாளிகளுக்கு உயிர் கொடுத்துதவும் வகையில், தானாகவே முன்வந்து நன்கொடையாக இரத்தத்தை அளித்துள்ளார். அவருடைய இந்தச் சிறந்த செயலினைப் போற்றும் விதத்தில் பாராட்டுச் சான்றிதழ் வழங்கப்படுகிறது.

இரத்தத்தை நன்கொடையாக வழங்குபவருக்கு, இதனால் எவ்வித தீங்கும் நேராது என்பதையும் பிறிதோர் உயிரைக் காப்பாற்றும் நற்பேறு பெற்றவர் ஆகிறார் என்பதையும் இவருடைய செயல் தெளிவாகப் புலப்படுத்துகிறது.

இவரது மானுடப்பணி மிகுந்த பாராட்டுக்குரியதாகும்.

Certificate of Appreciation

Thiru / Tmt. / Miss S. GODSON PRABHU is awarded this certificate of honour with hearty congratulations and sincere appreciation for his / her voluntary blood donation in service to suffering patients.

He / she has rendered a splendid Social Service of High Order.

Grateful thanks are given for his/her noble gesture

ABOUT THE COLLEGE

Sengunthar Arts and Science College, Tamilnadu popularly known as SASC, was established in 1991 by Sengunthar Education Trust. It is a pioneer, self-financing co-educational Institution, situated in serene green surroundings at Tiruchengode. It is the First self-financing co-educational Institution started in Namakkal District. It was formerly affiliated to the University of Madras and now to Prier University, Salem. With its fine infrastructure and ability to maintain high academic standards, the Institution has the unique honour of being acclaimed as one of the outstanding educational Institution under Prier University. The college functions over an area, extending 12.5 acres of land on the outskirts of Tiruchengode. The built-in area in which the college functions covers 2,74,555 sq.ft. Sengunthar Arts and Science College offers undergraduate programs in Bachelor of Commerce, Bachelor in Business Administration (BBA), B.Sc (Electronics & Communication, Computer Science, Microbiology, Bio-Technology, Chemistry, Physics, Bio-Chemistry), Bachelor of computer Applications (BCA), along with post-graduation courses such as Master of Computer Application (MCA), M.Sc (Applied Microbiology, Computer science, Bio-Chemistry, Bio-Technology, Software Science, Organic Chemistry), M.Com (CS,CA). The Institute also offers research facility and offers research programmes as M.Phil (Microbiology, Bio-Technology) and Ph.D. in Microbiology. The Institute provides a rich infrastructure with latest facilities to students and faculty members. The campus accommodates facilities such as canteen, transport, separate hostels for the boys and girls, a well-stocked library, IT lab, life science lab, the college on/off campus interview, in plant training, industrial visits for both students and faculty, Project work, Career guidance programmes.

ABOUT THE NSS

The National Service Scheme (NSS) is a central sector scheme of Govt of India, Ministry of Youth Affairs and sports. It provides opportunity to the student youth of 11th and 12th class of schools at +2 level, first and student youth of technical institutions, Graduate and post graduate at colleges and university level of India to take part in various

Government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Since inception of the NSS in the year 1969, the number of student's strength increased from 40000 to over 3.8 million up to the end of March 2018 students in various universities, colleges and institutions of higher learning have volunteered to take part in various community service programmes.

ABOUT THE FUNCTIONS

World AIDS Day celebrated on 1st December. To ensure that everyone is well-served, increase the availability, quality, and acceptability of service for HIV treatment, testing, and prevention. To combat the prejudice and isolation suffered by people who are HIV-positive and by important and disadvantaged communities, reform laws, policies, and practices. Aim: The day is an opportunity for public and private partners to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment and care around the world.

Summary Report

I wish to notify that every year we are celebrating "World Environment Day" on 5th June. On this special occasion our department association with Vignesh Hitech Nursery Garden, conducted a quiz program on "World Environment Day" on 4.6.2022.

The aim of this program is to encourage to keep our environment clean and sustaining its state. The quiz designed to test student knowledge pollution control, recycling techniques of plastic and other residues. After the quiz, winners had their prizes along with a sapling from the nursery representative.

SUMMARY REPORT

It was 24th August 2022; In our Computer Science Students organized a program to plant saplings at Government Middle School, Kouttapalli. The objective of this event was to teach students, how we can save our climate from pollution. This was a great initiative to make our atmosphere neat and clean. By tree plantation, we can develop a climax ecosystem free of greenhouse gases to reduce global warming. The main purpose of this event was to enhance awareness about the importance of tree plantations. As soon we completed our goal of tree plantation, there was a debate competition among students on the topic, "How we can keep our climate clean?" No doubt, the only answer to this question was tree plantation to conserve the ecosystem.

SUMMARY REPORT

Clean Campus promotes Hygiene. It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean environment sets a good example to students. Cleanliness encourages learners to take pride in their campus, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally. In our Computer Science Department Students has organized a Clean Campus campaign on 29th August 2022 at Government Middle School to educate and to promote civic sense among students community. In our students went to all the classes and briefed about the importance of cleanliness of the campus. Students were advised not to throw paper plates, water bottle, paper cups, tissues, and many unwanted things on campus Lawns, Library, sitting Area, class rooms, pathway and other open areas which is very unhygienic to all of us. They were also informed to make the campus & class rooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy.
