REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Competitive Classes for all interested final year UG/PG students on 11.11.2021 under the title of "Guidance for Competitive Exam" nearly 103 students from various discipline.

Members of the department have conducted the class for all the final years' students of Sengunthar Arts & Science College.

On that day, it also helps to make confidants and face the competitive world. Meanwhile, it improves our presence of minds whenever we express our views, listens to what others are taking about. To achieve their dreams in anything they want to do, students need brain power with the short memory to become successful in life.

Considering the need of today's students to compete and face the challenges of the modern world, and to make them aware of the competitive examinations, the cell organized this talk to build among students a sense of awareness, provide guidance, necessary sites, and other information about various competitive examinations.
