### **REPORT**

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Competition for all interested UG/PG students on various competition like Essay Writing, Rangoli, Patriotic Mime, Paper Craft and Drawing Competition from 10-8-2022 to 12-08-2022 nearly 177 students from various discipline has participated.

On that day, it also helps to make confidents and face the competitive world. Meanwhile, it improves our presence of minds whenever we express our views, listens to what others are taking about. To achieve their dreams in anything they want to do, students need brain power with the short memory to become successful in life.

Considering the need of today's students to compete and face the challenges of the modern world, and to make them aware of the competitive examinations, the cell organized this talk to build among students a sense of awareness, provide guidance, necessary sites, and other information about various competitive examinations.

### SUMMARY REPORT

### WORLD OZONE PROTECTION DAY PROGRAMME

Date	: 16.09.2022	Venue: Chemistry Lab
Topic	: Ozone for Life	No. of Participants: 36

The Department of Chemistry conducted programme on WORLD OZONE PROTECTION DAY for UG Science Department students (2022-2023) of our college in Chemistry Laboratory. The title of the programme was "Ozone For Life". A total of 36 students actively participated in the programme. The programme was useful to the students community. All the students were shared their ideas and discussed the importance and measures of preservation of the Ozone Layer.

We also conduct paint competition. Students participate actively and submit their creations.

The important aim of conducting this day is to draw attention of everyone on this planet towards the usefulness of ozone layer, how it protects us from UV rays and how we need to protect it from damaging chemicals are discussed in the programme.

The interesting facts of ozone are also explained and students also share their knowledge about ozone like the formula of ozone, the damaging effect of ozone etc., The concept of Montreal Protocol was explain.

The importance of the ozone layer, the damage that is being caused to it and to find the ways to protect the layer are explained in the programme.

### TO

The Principal,  
Sengunthar Arts and Science College,  
Tiruchengode.

Respected Sir,

**SUB:** Requesting permission for conducting programme on National Periodic Table Day – Reg.

This is bringing to your kind notice that we have planned to conduct programme & competitions on National Periodic Table Day on 07.02.2023 (Tuesday) for UG Science department students of our college on the topic “The Periodic Table”. This programme is very useful for students to get knowledge about the elements and its importance in the periodic table. So please give permission for above said programme.

Thanking you

### SUMMARY REPORT

### NATIONAL PERIODIC TABLE DAY PROGRAMME

**Date : 07.02.2023**

**Topic : The Periodic Table**

**Venue: Chemistry Lab**

**No. of Participants: 37**

The Department of Chemistry conducted programme on NATIONAL PERIODIC TABLE DAY for UG Science Department students (2022-2023) of our college in Chemistry Laboratory. The title of the programme was "The Periodic Table". A total of 37 students actively participated in the programme. The programme was useful to the students community. All the students were shared their ideas and discussed the importance of periodic table.

The aim of conducting programme on this day is to celebrate the periodic table and its scientists in building elements and for continuing discoveries in science.

What is periodic table, The history of periodic table, The invention of periodic table, The modern periodic table are explained to students. Students share their knowledge about the periodic table. Scientists who produced periodic table in different periods are introduced to the students.

What are the elements present in it, how they are named, how they are classified, what are the elements used mostly, speciality of such elements, the king of the periodic table, the most precious elements, rarest element of earth are discussed in the programme.

Students participate actively in the poster presentation competition. They submit the periodic table posters beautifully. We also conducted a puzzle. Students enthusiastically involve in the competition and identify the elements.

This programme was very useful for the students to get more knowledge about the periodic table.

### CIRCULAR

It is, hereby, informed that, the department of Electronics & Communication and Physics has organized "National Science Day Celebration-2023" on 28.02.2023.

The following competitions are Conducted by the department.

S.No	Name of the competition	Time
1	Poster Presentation	10.30-11.30AM
2	Craft From Waste	12.00-1.00PM
3	Scientific Connectors	2.00-3.30PM

Interested students are asked to register their names with the department of Electronics & Communication / Physics on or before 27.02.2023.

Note: 1. Certificate of Participation will be issued.

To

All the classes.

Tiruchengode

### TO

The Principal  
Sengunthar Arts and Science College  
Tiruchengode

Respected Sir,

Sub: Requesting permission for conducting **SCIENCE DAY PROGRAMME** – Reg.

On behalf of Students and Faculty members of the Department of Chemistry proposed to conduct **SCIENCE DAY PROGRAMME** for our Chemistry Department students on 28.02.2023 (2.00 to 4.00 PM).

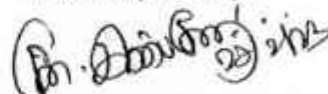

We request your permission for conducting the programme on above mentioned date.

With regards,

Place: Tiruchengode

Date: 27/02/2023

Yours respectfully,

  
(G.Inbasekar)

## CIRCULAR

27.02.2023

It is hereby informed that our chemistry department is going to conduct the **National Science Day** program on **28.02.2023** for UG science students, the competition list were placed in notice board. So students are requested to enroll their names to department of chemistry on or before **28.02.2023**. Venue of the program at **chemistry laboratory (2.00 PM to 4.00 PM)**.

**Name of the events:** Painting, Quiz & Speech

**Theme of the events:** Global science for global will being

**Mode of presentation:** Chart & Oral

## **Department of chemistry**

Academic year\_2022-2023

### **National science day celebration**

#### **SUBMISSION OF REPORT TO THE PRINCIPAL**

The department of chemistry had conducted the painting, quiz & speech events on national science day, 28.02.2023. The title provided in the events was 'Global Science for Global Will Being'. The students from chemistry department were actively participated in the events and presented their creation. The students were covered the topic like global science for global will being. Students expressed their views on science and technology development, modernity, progress etc. by drawing and speaking. The events were very useful to the student's community. All the students shared with other students their information about the universal science of universal existence.
