## **CONCLUSION**

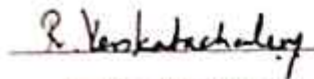

On the whole, this internship was a useful experience. I have gained new knowledge, skills and met many new people. this internship has been an excellent and rewarding experience. It also helped me to understand the exact marketing of the IT Solutions department. After completing this in I could be able to understand much more about the PENTA SOFTWARE IT SOLUTION. I believe my time spent in research and discovering it was well worth it and contributed to finding an acceptable solution to build a fully functional web service. Two main things that I've learned the importance of are time-management skills and self-motivation.
