REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Competitive Classes for all interested UG/PG students on **20.09.2023** under the title of **"MASTERING QUANTITATIVE APTITUDE FOR COMPETITIVE SUCCESS"** nearly **109** students from various discipline.

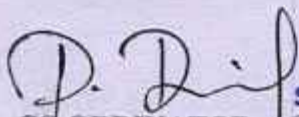

Members of the department have conducted the class for all the final years' students of Sengunthar Arts & Science College.

Students were introduced to time-saving problem-solving techniques and strategies for improving accuracy under exam conditions. Practical examples and live problem-solving exercises were incorporated to enhance understanding. The lecture also addressed common pitfalls and how to overcome them.

Participants received tips on efficient time management and the importance of consistent practice. Real-world applications of quantitative skills were discussed to inspire confidence in tackling complex problems. The program concluded with a Q&A session where students clarified doubts and received personalized advice.

Overall, the session was highly interactive and provided students with actionable insights to boost their preparation and succeed in competitive exams.

REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Competitive Classes for all interested UG/PG students on 11-10-2023 under the title of "QUANT PREP SIMPLIFIED: STRATEGIES FOR SUCCESS" nearly 112 students from various discipline.

Members of the department have conducted the class for all the final years' students of Sengunthar Arts & Science College.

The "Quant Prep Simplified: Strategies for Success" program is a comprehensive course designed to help college students master quantitative reasoning skills, essential for standardized tests and academic success. This program focuses on breaking down complex quantitative concepts into simple, digestible parts. It emphasizes understanding the core principles of topics such as algebra, geometry, statistics, and arithmetic, rather than just memorizing formulas. Key strategies taught include time management, smart guessing, and prioritizing high-yield topics. The program also offers a variety of practice problems with detailed solutions to reinforce learning and build confidence. Students learn how to approach questions logically and efficiently, improving their problem-solving speed and accuracy.

By providing a structured approach to quantitative prep, the program ensures students develop both conceptual understanding and practical skills. It also teaches students how to identify patterns in problem types, which aids in quicker and more accurate answers.

REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Competitive Classes for all interested UG/PG students on 13.02.2024 under the title of "EXCEL IN EXAMS: STRATEGIES FOR QUALITATIVE APTITUDE" nearly 98 students from various discipline.

Members of the department have conducted the class for all the final years' students of Sengunthar Arts & Science College.

The session covered key strategies for solving quantitative and logical reasoning problems efficiently, with a focus on time management, simplification of complex problems, and test-taking strategies. Students were introduced to various types of aptitude questions, including numerical reasoning, data interpretation, and logical puzzles. Practical exercises, mock tests, and feedback sessions helped students apply the learned strategies. The program also addressed stress management and ways to stay focused during exams. Participants appreciated the interactive sessions and gained valuable insights into improving their test scores. The program succeeded in boosting students' confidence and exam readiness, equipping them with essential tools for academic and career-related assessments. Overall, the workshop was a success and received positive feedback for its practical relevance and helpful guidance.

Students were introduced to time-saving problem-solving techniques and strategies for improving accuracy under exam conditions. Practical examples and live problem-solving exercises were incorporated to enhance understanding. The lecture also addressed common pitfalls and how to overcome them. Participants received tips on efficient time management and the importance of consistent practice. Real-world applications of quantitative skills were discussed to inspire confidence in tackling complex problems. The program concluded with a Q&A session where students clarified doubts and received personalized advice.

REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Career Counselling Program for all interested final year students on 17-10-2023 under the title of **"ELEVATE YOUR CAREER : TIPS AND TECHNIQUES FOR ADVANCEMENT"** nearly 186 students from various discipline. Members of the department have conducted the class for all the final year students of Sengunthar Arts & Science College.

On that day, **Mr. M.VISWESWARAN**, the resource persons, and they were given lectures on it also helps to make confidents and face the competitive world. Meanwhile, it improves our presence of minds whenever we express our views, listens to what others are taking about. To achieve their dreams in anything they want to do, students need brain power with the short memory to become successful in life. Considering the need of today's students to compete and face the challenges of the modern world, and the cell organized this talk to build among students a sense of awareness, provide guidance, necessary sites, and other information about various career skills.

REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Career Counselling Program for all interested final year students on **21-11-2023** under the title of **"BUILD YOUR BRAND : ESTABILISHING A STRONG PROFESSIONAL IDENTITY"** nearly 197 students from various discipline. Members of the department have conducted the class for all the final year students of Sengunthar Arts & Science College.

On that day, **Mr. BARANI RAVICHANDRAN**, the resource persons, and they were given lectures on it also helps to make confidents and face the competitive world. Meanwhile, it improves our presence of minds whenever we express our views, listens to what others are taking about. To achieve their dreams in anything they want to do, students need brain power with the short memory to become successful in life.

Considering the need of today's students to compete and face the challenges of the modern world, and the cell organized this talk to build among students a sense of awareness, provide guidance, necessary sites, and other information about various career skills.

REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Career Counselling Program for all interested final year students on 23/01/2024 under the title of **"THE POWER OF NETWORKING : BUILDING RELATIONSHIP FOR CAREER SUCCESS"** nearly 197 students from various discipline.

Members of the department have conducted the class for all the final year students of Sengunthar Arts & Science College.

On that day, **Mr. HARIGOUTHAM**, the resource persons, and they were given lectures on it also helps to make confidents and face the competitive world. Meanwhile, it improves our presence of minds whenever we express our views, listens to what others are taking about. To achieve their dreams in anything they want to do, students need brain power with the short memory to become successful in life.

Considering the need of today's students to compete and face the challenges of the modern world, and the cell organized this talk to build among students a sense of awareness, provide guidance, necessary sites, and other information about various career skills.

REPORT

We wish to express our heartfelt gratification to our Hon'ble Principal sir and management for provided their consent and support to organize the Career Counselling Program for all interested final year students on ~~15/02/2024~~ under the title of **"DESIGN YOUR DREAM CAREER : A STEP -BY -STEP GUIDE"** nearly 198 students from various discipline. Members of the department have conducted the class for all the final year students of Sengunthar Arts & Science College.

On that day, **Mr. BARANI RAVICHANDRAN**, the resource persons, and they were given lectures on it also helps to make confidants and face the competitive world. Meanwhile, it improves our presence of minds whenever we express our views, listens to what others are taking about. To achieve their dreams in anything they want to do, students need brain power with the short memory to become successful in life.

Considering the need of today's students to compete and face the challenges of the modern world, and the cell organized this talk to build among students a sense of awareness, provide guidance, necessary sites, and other information about various career skills.
